INSTRUCTIONS

MAKE TWO

With US 2 needles, cast on 55 (59, 65) sts and distribute evenly onto 3 double pointed needles, join in the round. (place marker at beginning of the round if you so desire)

- K every round until work measures 3 inches
- Place 13 (15, 18) sts onto holder, to be worked later for thumb, 42 (44, 47) sts remain
- With remaining sts, k every round until work measures 1.75" from thumb sts.
- Next round: *K1, p1; repeat from * around
- Bind off knitwise, cut yarn
- Join yarn for working the thumb. Place 13 (15, 18) saved sts onto needles and pick up 4 sts at body of mitten. K 10 rounds. Bind off knitwise.

If you would rather use scrap sock yarn, you will need about 150 yards of fingering weight yarn to complete two mitterettes. If you don't want your edges to roll, work a few rows of ribbing at the beginning of the pattern.
