INSTRUCTIONS

This hat is designed to fit loose. Choose size accordingly above. If your head circumference is closest to 20", I would go with the M/L size in order to get the slouch effect, although either size will fit just fine.

With US 11 circular 16" long OR US 11 double pointed,
Cast on (40) 44 sts, join to form circle, pm to mark
beginning of rounds.

Round 1 thru 6: *k3, p1; repeat from * around

Round 7: knit

Round 8: *k2, YO, SSK; repeat from *around

Round 9: *YO, SSK, k2; repeat from *around

Repeat above two rows until you have 8 holes vertically.

Next Round: *SSK, YO; repeat from * around

Next Round: knit

Next Round: SSK around

Next Round: *YO, SSK; repeat from * around,
end with k1

Next Round: knit

Next Round: SSK around

Cut yarn, pull through remaining sts to close.

This hat is meant to be worn almost like a beret, at the
crown of your head.

Use a bobby pin to secure the hat in place. You can pull
on the stitches vertically to make the hat super slouchy!
