

MIDNIGHT KNITTER

ALPACA WARMER

A very simple knit for a beginner. And I don't mean simple, I mean like, the most simple ever!

This fancy looking neck warmer looks great worn over a regular shirt or a fancy outfit!

Wear it at work when your neck gets cold but you don't want to wear a long scarf. I've had so many compliments on mine, so be careful, everyone is gonna want you to knit them one!

difficulty: total beginner

size: to fit most

MATERIALS

1 skein Blue Sky Alpacas Bulky

needles: US 15
(or size to obtain gauge)

gauge: 2.5 sts = 1"

abbreviations:

k = knit

p = purl

INSTRUCTIONS

- with US 15 needles, cast on 14 sts
- Row 1: k across
- Row 2: p across
- repeat rows 1 and 2 for a total of 50 rows
(or until you almost run out of yarn)
- bind off

Really!! That simple!

--To wear, slip around your neck and use a decorative pin to secure two corners
